### **A couple of notes on clothing and Jewelry:**

To manage your temperature and stay warm, we suggest dressing in several thin layers rather than one bulky one. Wools and synthetic garments will keep you much dryer and warmer than cotton clothing. Please try to avoid clothing with draw strings around the neck for Medeba activities; the strings can be untied and zipped underneath another jacket or tucked into neck. If necklaces or dangly jewelry can be removed, please do so BEFORE going to Medeba activities. Close-toed secured shoes are required during Adventure activities.

### **Money:**

Snacks, souvenirs, and Medeba clothing are available in the camp store; clothing prices range between \$15.00 T-Shirts to \$160.00 Rain Jackets. Stickers and other souvenirs range between \$1.50 stickers - \$109 camp chair.
